# EXAMINATION PERIODS AND ASSESSMENT

## Luiss Uniqueness – Enquiry-based learning
Starting from a.y. 2021-2022, Luiss approaches teaching and learning from a new perspective, which promotes an improved education experience. Students are involved in an active learning process in which, with the support of teachers, they become responsible for the development and transfer of knowledge to various audiences (e.g. peers, faculty). They will be able to learn and reflect with a critical mind on the acquired notions and to apply and advance their knowledge to discover and share innovative solutions to real problems.

## Examination periods
Exams are held after the teaching period and can be oral, written or both. Depending on the Department and level, some courses will have two or three examination dates and students can choose the one they prefer.

Courses included in the degree programs adopting the new educational paradigm will have only one examination date available in December. For these courses the students’ performance will be continuously assessed throughout the whole semester and will constitute the main component of their final grade. The traditional final exam will account for no more than 30%.

The exact examination dates for each subject will be defined about a month and a half before the beginning of the examination session.

Students should make their travelling arrangements according to the examination periods. Please note: The examination period in September is not open to exchange students.

## Final assessment
Exams can be taken only on the official dates.
Exchange students will take their exams in the same conditions as regular students.
Exchange students are NOT authorized to organize their exams individually with their professors.

## Proctored Exams
According to the Italian examination system Luiss cannot allow proctored exams.

## Transcript of records
Transcripts of records will be sent by email to the Partner Institutions 4 weeks after the end of the examinations periods of each examination session.

Luiss University is embracing an eco-friendly policy and hardcopies will be sent only to those partners who explicitly request it.

## Grading system
Individual courses are graded on a scale of 18-30/30. Very brilliant students may be awarded 30 cum laude (30 e lode).

<table>
<thead>
<tr>
<th>Grade</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>30 e lode</td>

</tr>
<tr>
<td>29-30</td>

<td>satisfactory</td>
</tr>
<tr>
<td>18-23</td>
<td>sufficient</td>
</tr>
<tr>
<td>&lt; 18</td>
<td>fail</td>
</tr>
</tbody>
</table>

The minimum passing grade is 18/30. Grades below 18 are a fail and are not registered.

Grades below 18 will not and cannot appear on the transcript of records. In Italy grades below 18 do not exist. Exceptions cannot be made.
