Prof. Spiecker is one of Germany's leading legal experts on administration law, data protection, IT-law and IT-security. She also heads one of Germany's most prestigious institutes on Health Law, Ineges, together with her colleague Astrid Wallrabenstein.

She publishes regularly nationally and internationally on constitutional and administrative law with a specification in privacy and data protection law, technology law, health law, environmental law and legal theory (behavioral law and technology). Her advisory opinion is requested by parliaments, governments, companies and NGOs; in numerous projects she has cooperated with them. She is member of advisory boards as well as co-editor and co-publisher of several national and international law journals, among them the European Data Protection Law Review, Computer und Recht, Zeitschrift für Datenschutz und Die Verwaltung. Guest professorships have taken her e.g. to the U.S., Turkey, China and Belgium.
